

The Perimeter Pro 2 comes with no extra parts and requires no assembly

**1**

Simply place the Perimeter Pro 2 on top of the rim, and align it so that the rim cut out fits around the base of the rim

Precut grooves fit around the base of the rim

Firmly press down on the Perimeter Pro 2 to ensure that it is properly placed.

**2**

Thank you for choosing success with Perfect Jumper's Perimeter Pro 2!
